NEW YORK TIMES BESTSELLER "King's songs have mixed rock-soul heart-rush with real-world ache. So does her memoir...Revealing, humble, and cool-aunt chatty." -Rolling Stone The incredible life that inspired the hit Broadway musical Beautiful Carole King takes us from her early beginnings in Brooklyn, to her remarkable success as one of the world's most acclaimed songwriting and performing talents of all time. A NATURAL WOMAN chronicles King's extraordinary life, drawing readers into her musical world, including her phenomenally successful #1 album Tapestry, and into her

journey as a performer, mother, wife and present-day activist. Deeply personal, King's memoir offers readers a front-row seat to the woman behind the legend and includes dozens of photos from her childhood, her own family, and behind-the-scenes images from her performances.

A memoir by the iconic singer-songwriter chronicling her story from her beginnings in Brooklyn through her remarkable success as one of the world's most acclaimed musical talents, to her present day as a leading performer and activist. From her marriage to Gerry Goffin, with whom she wrote dozens of songs that hit the charts, to her own achievements, notably with 'Tapestry', which remained on the charts for more than six years, to her experiences as a mother, this memoir chronicles one of music's most successful and fascinating stars. The book includes dozens of photos from King's childhood, her own family, and behind-the-scenes images from her performances over the years.

Carly Simon's New York Times bestselling memoir, *Boys in the Trees*, reveals her remarkable life, beginning with her storied childhood as the third daughter of Richard L. Simon, the co-founder of publishing giant Simon & Schuster, her musical debut as half of The Simon Sisters performing folk songs with her sister Lucy in Greenwich Village, to a meteoric solo career that would result in 13 top 40 hits, including the #1 song "You're So Vain." She was the first artist in history to win a Grammy Award, an Academy Award and a Golden Globe Award, for her song "Let the River Run" from the movie *Working Girl*. The memoir recalls a childhood enriched by music and culture, but also one shrouded in secrets that would eventually tear her family apart. Simon brilliantly captures moments of creative inspiration, the sparks of songs, and the stories behind writing "Anticipation" and "We Have No Secrets" among many others. Romantic entanglements with some of the most famous men of the day fueled her confessional lyrics, as well as the unraveling of her storybook marriage to James Taylor.

(Easy Piano Vocal Selections). Beautiful tells of the story of one of the 20th century's most beloved songwriters, Carole King, through 25 of the hit songs she penned for herself and others. This collection of easy piano arrangements from the musical includes 14 songs: Beautiful \* I Feel the Earth Move \* It's Too Late \* (You Make Me Feel Like) a Natural Woman \* So Far Away \* Take Good Care of My Baby \* You've Got a Friend \* and more.

Carole King's *Tapestry* is both an anthemic embodiment of second-wave feminism and an apotheosis of the Laurel Canyon singer-songwriter sound and scene. And these two elements of the album's historic significance are closely related insofar as the professional autonomy of the singer-songwriter is an expression of the freedom and independence women of King's generation sought as the turbulent sixties came to a close. Aligning King's own development from girl to woman with the larger shift in the music industry from teen-oriented singles by girl groups to albums by adult-oriented singer-songwriters, this volume situates *Tapestry* both within King's original vision as the third in a trilogy (preceded by *Now That Everything's Been Said* and *Writer*) and as a watershed in musical and cultural history, challenging the male dominance of the music and entertainment industries and laying the groundwork for female dominated genres such as women's music and Riot Grrrl punk.

A groundbreaking and irresistible biography of three of America's most important musical artists—Carole King, Joni Mitchell, and Carly Simon—charts their lives as women at a magical moment in time. Carole King, Joni Mitchell, and Carly Simon remain among the most enduring and important women in popular music. Each woman is distinct. Carole King is the product of outer-borough, middle-class New York City; Joni Mitchell is a granddaughter of Canadian farmers; and Carly Simon is a child of the Manhattan intellectual upper crust. They collectively represent, in their lives and their songs, a great

swath of American girls who came of age in the late 1960s. Their stories trace the arc of the now mythic sixties generation—female version—but in a bracingly specific and deeply recalled way, far from cliché. The history of the women of that generation has never been written—until now, through their resonant lives and emblematic songs. Filled with the voices of many dozens of these women's intimates, who are speaking in these pages for the first time, this alternating biography reads like a novel—except it's all true, and the heroines are famous and beloved. Sheila Weller captures the character of each woman and gives a balanced portrayal enriched by a wealth of new information. *Girls Like Us* is an epic treatment of midcentury women who dared to break tradition and become what none had been before them—confessors in song, rock superstars, and adventurers of heart and soul.

(Easy Piano Personality). Easy piano arrangements of all 12 tracks from one of the bestselling albums of all time: Beautiful \* Home Again \* I Feel the Earth Move \* It's Too Late \* (You Make Me Feel Like) A Natural Woman \* Smackwater Jack \* So Far Away \* Tapestry \* Way Over Yonder \* Where You Lead \* Will You Love Me Tomorrow (Will You Still Love Me Tomorrow) \* You've Got a Friend.
