during pregnancy. These changes can take a toll on the body. From fatigue to anxiety, several problems can arise during pregnancy. Acupuncture can be used to treat health problems during pregnancy.

### The Benefits of Acupuncture for Pregnancy and Childbirth ...

Postural changes may cause backache, neck ache, headaches, sciatica, aching legs and undue fatigue. Postural changes through the lower ribs and spine can impede the action of the diaphragm and ribs, which can make breathing difficult. Osteopathy and Acupuncture are useful treatments for the strains, aches and pains occurring during pregnancy.
