manual, you could come across some seemingly impossible obstacles. Sticks weren't nearly as common as automatics and, for the most part, wrecking yards are picked clean of usable clutch linkage hardware.

However, the

Bookmark File PDF Automatic

aftermarket has kept pace, and restoration specialists can offer complete clutch linkage kits for swapping a stick where an automatic once lived.

To Manual.

However, be aware that this is no small feat because most of the car must be disassembled for the conversion.

This is a job that requires a lot of specialty tools and knowledge, so visiting a mechanic might be the best option.
