Jack Coughlin, the Marine Corps' top-ranked sniper and author of New York Times bestseller Shooter, follows Gunnery Sgt. Kyle Swanson's action-packed top secret missions in the Middle East in the Kyle Swanson Sniper Series, Books 1-3. In Kill Zone, Kyle Swanson receives orders to mount a top secret mission to rescue an American general captured in the Middle East by terrorists who threaten to behead him. In Dead Shot, Swanson faces his most deadly enemy yet, a legendary enemy sniper working with a fringe Islamic organization that has created a terrifying new weapon of mass destruction. In Clean Kill, an attempt at a new peace in the Middle East is shattered by an unknown attacker, and only Swanson can find out who's responsible.

At a 15th Century castle outside of Edinburgh, Sir Geoffrey Cornwell, overseer of Task Force Trident and a former colonel, is in the process of brokering an unprecedented agreement. Prince Abdullah of Saudi Arabia and the Israeli Foreign Minister are scheduled to sign an historic peace treaty - that is, until their meeting is violently interrupted by a missile strike that leaves the Foreign Minister of

Israel dead and the Prince injured. Gunnery Sergeant Kyle Swanson is immediately called to the UK, where he thwarts another attempt on the prince of Saudi Arabia's life. The attackers are Middle Eastern, but they aren't working for Al Qaeda - they're employed by foreign operatives opposed to the peace agreement and determined to claim Saudi oil reserves for themselves. Meanwhile, Juba comes out of hiding. One of the best snipers in the world and Kyle's nemesis, Juba remains determined to exact revenge on the man who nearly took his life. With scenes of tremendous suspense that span the globe, Clean Kill pits our hero against a group whose greed and vengeance know no limits . . .

An American general is captured in the Middle East by terrorists who threaten to behead him within days. One strange fact: moments before he is rendered unconscious during the attack, the general notices that his captors speak American English. What's going on? Gunnery Sgt. Kyle Swanson, a top Marine sniper, is vacationing on a yacht in the Mediterranean when he receives orders to mount a top secret mission to rescue the general. But as the Marines prepare to land in the Syrian desert, they fall victim to a terrible accident. Swanson, the only survivor, then discovers they were also flying into an ambush. How did the enemy have details of a mission known only to a few top American

government officials? Swanson takes off across the desert alone to find the captured general and realizes he is fighting a particularly ruthless and dangerous enemy: American mercenaries working for a very-high-level group of U.S. officials with ties to the White House itself, part of a clandestine conspiracy whose hidden goal is nothing less than total control of the American military. Their sworn enemy is the captured general whose fate now rests in Swanson's hands. Filled with the kind of action that author Jack Coughlin lived during his career as a Marine sniper, Kill Zone marks the debut of an extraordinary new series.

Spain is on the brink of economic collapse and European banks demand that any bailout be linked to harsh domestic changes. An alliance of Islamic bankers counters with a rescue package containing no conditions at all. The underlying goal: to break the unity of Europe and put Madrid on the path back to Islamic rule. When the United States stridently opposes that deal, terrorists storm the American consulate in Barcelona and slaughter an entire six-man U.S. Marine security guard. Washington decides the time has come to change the rules of counter-terrorism response, and instead of going after the individual hired gunmen, it unleashes black operations team Task Force Trident to take down the high-ranking financiers known as the Group of

Six who were really responsible for the slaughter. Gunnery Sergeant Kyle Swanson, one of the world's best snipers, and his beautiful sidekick Beth Ledford, go on the attack, and bodies fall from Mallorca to Madrid. Meanwhile, Algerian mastermind Yanis Rebiane puts pressure on Spain to decide before the Group of Six cracks, while his killing-machine son, Djahid roams the United States, murdering anyone his father deems a threat to the radical Islamic takeover scheme. Once Swanson's name is unearthed from secret files, Kyle and Djahid become hunter and prey. In *On Scope* by Jack Coughlin and Donald A. Davis, one shot will decide the future of Spain, NATO, and the European Union.

THE NEW YORK TIMES NUMBER ONE BESTSELLER Two weeks before the election - and presidential candidate Josh Alexander's motorcade is decimated by a terrorist bomb. But then CIA director Irene Kennedy is presented with classified information so toxic that she considers destroying it altogether. Instead she summons Mitch Rapp, the one man reckless enough to follow the evidence to its explosive conclusion... *AMERICAN ASSASSIN*, book one in the series, is soon to be a MAJOR MOTION PICTURE starring Dylan O'Brien (*Maze Runner*), Taylor Kitsch (*True Detective*) and Michael Keaton. On the heels of the New York Times bestselling Dead Shot comes the most thrilling installment of the Kyle Swanson series yet, in which an attempt at a new peace in the Middle East is shattered by an unknown attacker, and only Swanson can find out who's responsible At a 15th Century castle outside Edinburgh, Scotland, Sir Geoffrey Cornwell is brokering an unprecedented agreement. Prince Abdullah of Saudi Arabia and the Israeli Foreign Minister are scheduled to sign an historic peace treaty—that is, until their meeting is violently interrupted by a missile strike that leaves the Foreign Minister of Israel dead and Cornwell and the Prince injured. Gunnery Sergeant Kyle Swanson is running covert missions in the mountains of Pakistan when he's called away from duty. Eastern, but they aren't working for Al Qaeda—they're employed by foreign operatives opposed to the peace agreement and determined to claim Saudi oil reserves for themselves by whatever means necessary. Meanwhile, out of hiding and back from the dead comes Juba, one of the deadliest terrorists in the world and Kyle Swanson's nemesis, who is determined to exact revenge on the man who nearly took his life. With scenes of tremendous suspense that span the globe, Clean Kill puts Swanson in the sights of a group whose greed and vengeance know no limits. But their deadly ambitions also bring them into his sights, which is the wrong place to be.

In the fourth novel in the New York Times bestselling series, Marine sniper Kyle Swanson finds himself in the sights of a man he once idolized—a true American hero turned traitor Swanson and his beautiful girlfriend, CIA agent Lauren Carson, are on a mission in Pakistan when their world is turned inside out. Kyle is captured and thrown in prison. Lauren is accused of being a double agent. The one person they trust to help is the man who sent them on the black operation—Jim Hall, a legendary CIA agent, Kyle's sniper mentor, and Lauren's boss and former lover. But Hall has gone rogue. He is selling America's innermost secrets to a ruthless Pakistani warlord who wants to mold al-Qaeda into a legitimate political party, and secure a nuclear

arsenal. For Jim Hall, his former protégé Swanson is the final obstacle. Success or failure pivots on whether Swanson can stop the old friend who trained him to be a shooter. From the streets of Washington to the Bavarian Alps, the two snipers stalk each other in a deadly hunt that has only one possible outcome.

In the latest high-intensity thriller in the New York Times bestselling sniper series, Marine Gunnery Sergeant Kyle Swanson is sent into Pakistan, where an international team of medical workers has been executed in order to cover up a deadly terrorist secret. In the aftermath of great floods, a doctor on a relief mission in northeastern Pakistan discovers the remains of a collapsed bridge that reminds him of a bridge near his childhood home in Ohio. He snaps a cellphone picture and sends it to his sister, just before his entire team is slaughtered. His sister is Beth Ledford, a Coast Guard sniper, who suspects that the answer to the mystery of her brother's death is in that cellphone picture. No one believes her until she finds Swanson and the secret special operations team known as Task Force Trident. When Kyle takes Beth into Pakistan to investigate, they find the true secret behind the mass murder—what may be the last, best hope of victory by al-Qaeda and the Taliban over allied forces. Now the two snipers have their sights set on one man, an American diplomat who has

become the biggest obstacle to victory in the war on terror. The only question is: which of them gets to pull the trigger?

The Central Intelligence Agency is under attack, and so is its top field operative, Kyle Swanson. The highly decorated former Marine Corps gunnery sergeant is attending the funeral of a friend when a terrorist blows up the grave. A week later, he narrowly survives a grenade attack in Berlin. In Washington, Congress is being told that Swanson has been turned, his private employer is corrupt, and the Agency itself cannot be trusted. Swanson is assigned to find the root of the problem and is partnered up with Luke Gibson, a skilled operative rated as being almost as good as Swanson. They are looking for assassin Nicky Marks, who also was a CIA shooter but now works for a shadowy power broker known as The Prince. But before Kyle and Luke can eliminate the threat, they must identify and find the man who wants them dead. That takes them from the pink poppy fields of Afghanistan to the jungles of Southeast Asia and the streets of America as they learn that the Prince is the ruthless kingpin of a global drug empire that uses CIA planes to transport opium and heroin. Swanson also lines up a secret partner, the beautiful widow of his friend whose grave was desecrated in Mexico, the sharpshooting former commando Beth Ledford, who has her own agenda of pure retribution.

Kyle Swanson, at the worst possible moment in a combat showdown, must decide: Do you trust your partner, and if so, which one?

In this follow-up to the highly successful Kill Zone, former Marine sniper Kyle Swanson faces his most deadly enemy yet, a legendary enemy sniper working with a fringe Islamic organization that has created a terrifying new weapon of mass destruction. In Baghdad's Green Zone, an Iraqi scientist is murdered just before he is to reveal the monstrous secret that Saddam Hussein took to his grave: the Palace of Death, home to a chemical weapon that Islamic militants quietly have been developing and whose formula is nearly complete. The assassination is the work of a mysterious sniper called Juba, who was originally trained by the British but now works with a twisted mastermind determined to wrest leadership of the terrorist world from Al Qaeda. Kyle Swanson, once the top sniper in the Marine Corps, has become the key member in a secret special operations team known as Task Force Trident. When Juba tests the new weapon by killing hundreds of people at a British royal wedding in London, Swanson is assigned to hunt down his old special ops rival. The birth of a new reign of global terror can be stopped only by a confrontation between the two best snipers in the world, a duel in which the first shot wins. Usually.
