Collins Easy Learning Italian Grammar offers beginners a clear and easy-to-understand guide to the verbs and grammar of Italian.

To assist in mastering Italian grammar, this text explains a concept as it applies to English and presents the same concept as it applies to Italian. It illustrates the differences between the two languages and guides the selection of the correct form.

This Italian reference grammar provides students, teachers and others interested in the Italian language with a comprehensive, accessible and jargon-free guide to the forms and structure of Italian. Whatever their level of knowledge of the language, learners of Italian will find this book indispensable: it gives clear and detailed explanations of everything from the most elementary facts such as the relation between spelling and pronunciation, or the forms of the article, to more advanced points such as the various nuances of the subjunctive. Formal or archaic discourse is distinguished from informal, everyday usage, and regionalisms are also indicated where appropriate. The authors have taken care to make it an easy and illuminating reference tool: extensive cross-referencing enables readers to quickly find the information they require, and also stimulates them to discover new, related facts.
