“J.G. Ballard is the undisputed laureate of suburban psychosis. . . . A brilliant novel.” —Literary Review A violent novel filled with insidious twists, Kingdom Come follows the exploits of Richard Pearson, a rebellious, unemployed advertising executive, whose father is gunned down by a deranged mental patient in a vast shopping mall outside Heathrow Airport. When the prime suspect is released without charge, Richard ’ s suspicions are aroused. Investigating the mystery, Richard uncovers at the Metro-Centre mall a neo-fascist world whose charismatic spokesperson is whipping up the masses into a state of unsustainable frenzy. Riots frequently terrorize the complex, immigrant communities are attacked by hooligans, and sports events mushroom into jingoistic political rallies. In this gripping, dystopian tour de force, J.G. Ballard holds up a mirror to suburban mind rot, revealing the darker forces at work beneath the gloss of consumerism and flag-waving patriotism.

Set at the dawn of the 21st century in a world spinning out of control, KINGDOM COME is a riveting, alternate reality story pitting the old guard--Superman, Batman, Wonder Woman and others--against a new, uncompromising generation of heroes in a war that

In the near-future world of KINGDOM COME, superheroes are ubiquitous, but heroism is rare. After decades as Earth ’ s champions, the members of the Justice League have all retreated out of the public eye, replaced with a new generation of crime-fighters whose brand of harsh justice leaves humanity terrified, rather than inspired. But with the planet ’ s future in jeopardy, Superman, Wonder Woman and Batman must come out of retirement to make one last stand for truth and justice. Collects KINGDOM COME # 1-4 and more than one hundred pages of sketches, annotations and other extras!

Growing up alone as an orphan is never easy no matter what the circumstances, but imagine the chaos and confusion of having the foster family you've cobbled together -- the only stability you've ever known -- torn to bits amidst the destruction of the Civil War. That's the fate that befalls protagonist Chadwick Buford in The Little Shepherd of Kingdom Come, the second volume of John Fox Jr.'s acclaimed Mountain Trilogy. Will Chad be able to reunite with his makeshift family -- and his beloved fiancée - after the war?

Batman, Superman, and Wonder Woman confront a new generation of villains and a world spinning out of control as the planet hurtles toward the final apocalypse at the turn of the twenty-first century

Discover how God's Divine Presence gives your purpose and fulfillment regardless of life's season as you learn to discern the temporary from the eternal and live with conviction. Have you ever looked at your life and wondered, "Is this it?" After a childhood of being promised the future is bright, it's difficult to see meaning and purpose as you trudge through your everyday adulthood obligations. Expectations are unmet, hope fades, and disappointment in relationships and careers leaves you longing for better while living broken. But some things are temporary and others eternal, and you must learn to tell the difference. The Kingdom and Presence of God are still present, right here and right now. And experiencing them changes everything. Glimpses of God's divine Kingdom can be found in your workplace, classroom, and around the dinner table with friends. His nearness can be felt in celebratory moments and in empty apartments and when the phone rings with devastating news. Even when the world around you appears to be falling apart, God and His Kingdom remain steadfast. As you experience the inevitable pain of finding your way, this book will help you realize you aren't alone and encourage you through the narrative of Scripture. Many have gone before us and shown us the way. God's Kingdom has come (and is still coming) and His presence is real. Eternal things can be seen if we learn to look through the lens of His unchanging Truth.

Unexplainable things happen. Some call it coincidence. In the compelling psychological thriller Kingdom Come, CA, author Judy Strick introduces fascinating and sometimes frightening questions about what we call reality. Ruby Wellman, a reclusive surrealist artist, hides a deep and horrifying childhood secret. So does Finn McCord, a profoundly disturbed six-year-old who talks only to animals and imaginary friends. Their lives intersect in Kingdom Come, a tiny mountain town in the middle of nowhere, California.
