Managerial Accounting 16th Edition PDF | Authors: Ray H Garrison, Eric Noreen, Peter C. Brewer | McGraw-Hill Education [2017] | ISBN-13: 9781260153132 | Tags: managerial accounting garrison, managerial accounting 16th edition garrison, managerial accounting mcgraw hill, managerial accounting 16th edition garrison pdf, garrison noreen brewer managerial accounting,

As the long-time #1 best-seller, Garrison has helped guide close to 3 million students through managerial accounting since it was first published. It identifies the three functions managers must perform within their organisations-plan operations, control activities, and make decisions-and explains what accounting information is necessary for these functions, how to collect it, and how to interpret it. Garrison's Managerial Accounting is known for its relevance, accuracy, and clarity. It is also unique in that the authors write the most important supplements that accompany the book: solutions manual, test bank, instructor's manual, and study guide - making them both of high quality and extremely consistent with the textbook.

We are pleased to present this Global Edition, which has been developed specifically to acquaint

students of business with the fundamental tools of managerial accounting and to promote their understanding of the dramatic ways in which business is changing. The emphasis is on teaching students to use accounting information to best manage an organization. Each chapter is written around a realistic business or focus company that guides the reader through the topics of that chapter. There is significant coverage of contemporary topics such as activity-based costing, target costing, the value chain, customer profitability analysis, and throughput costing while also including traditional topics such as job-order costing, budgeting, and performance evaluation. Many of the real-world examples in the Management Accounting Practice boxes have been revised and updated to make them more current and several new examples have been added. This Global Edition has been adapted to meet the needs of courses outside the United States and does not align with the instructor and student resources available with the U.S. edition.

E-Book Fundamental Managerial Accounting Concepts

Business professionals that need to gain a stronger understanding of key accounting concepts will appreciate this book's approach. It focuses on the core concepts framed within the context of one company, C & C Sports and its supply chain. Through this example, they'll learn fundamentals of how a business operates along with the type of decisions that managers must make on a daily basis. Focus On mini chapters incorporate streamlined, complete coverage of certain topics. Reinforcing examples and exercises are also included to enable business professionals to assess their level of understanding before progressing to more advanced discussions.

Warren/Reeve/Duchac's MANAGERIAL ACCOUNTING 14E provides a solid foundation in managerial accounting fundamentals, while motivating students to learn by showing how accounting is important to business. Business examples and a new chapter schema provide context for readers, demonstrating how each chapter's content fits into the big picture, connecting fundamental concepts with real businesses. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Give your students a solid foundation in core accounting concepts while helping learners develop a true appreciation for why accounting is important to business and a prosperous society.

Warren/Reeve/Duchac's FINANCIAL AND MANAGERIAL ACCOUNTING, 14E clearly demonstrates how accounting is much more than simply data and black and white rules. Instead, students see how accounting provides key information used to make critical business decisions. A new chapter schema provides context for how each chapter's content fits into the big picture. The book focuses on why accounting is important and consistently reinforces connections to the big picture by connecting journal entries to the accounting equation. Fresh organization progresses from the simplest to the more complex topics with reorganized and fully integrated coverage of the new Revenue Recognition standard, reorganized coverage of adjustments, and reorganized managerial accounting chapters Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
