What three characteristics about TCP distinguish it from ...
The Network Contract will be implemented as a Directed Enhanced Service (DES) for GP practices. It will start from 1 July 2019, subject to primary care networks having met the registration requirements and been approved by their commissioner. The DES Directions and DES Enhanced Contract Specification will be published by 31 March 2019.

NHS England » Frequently Asked Questions: First iteration
technical guidance for those intending to connect to the existing Bunhill Heat and Power network. This guide (PART 2) should be read in conjunction with PART 1, which sets out the benefits to developers/owners and their responsibilities in connecting to heat networks.

Part 2 - a guide for building services designers ...
All Primary Care Networks will have a Network Agreement, even those with one large practice. This is because the Network Agreement is both the means by which the Primary Care Network describes how the practices will work together to discharge the Network contract but also how it will partner with non-GP practice stakeholders.
