Swallowing Darkness (Merry Gentry #7)(55) Laurell K. Hamilton "Are you giving up the crown?" Doyle asked, words very careful. "No, but I am saying that I cannot take it unless my safety and the safety of my kings and children can be guaranteed. I will not lose another person to assassins, and I will not die at their hands as my father did." I put my hands on my stomach. Still so flat, but I ...

I am Meredith, princess of faerie, wielder of the hands of Flesh and Blood, and at long last, I am with child-twins, fathered by my royal guard. Though my uncle, Taranis, King of Light and Illusion, claims that he is the true father since he abducted me from my home, betrayed, and defiled me. And now he has branded my guards as a threat to my unborn children. Bearing an heir has placed me halfway to my aunt's throne, that much closer to my reign over the Unseelie Court—and well ahead of her son, my cousin Cel, in this race. Now I must stay alive to see my children born and claim my place as queen. But not all in faerie are pleased with the news, and conspirators from every court in the realm plot against me and mine. They seek to strip my guards, my lovers, from me by poisoned word or cold steel. But I still have supporters, and even friends, among the goblins and the sluagh, who will stand by me. I am Meredith Nic Essus, and those who would defy and destroy me are destined to pay a terrible price—for I am truly my father's daughter. To protect what is mine, I will sacrifice anything—even if it means waging

File Type PDF Swallowing Darkness Merry Gentry 7 Laurell K Ton

a great battle against my darkest enemies and making the most momentous decision ever made as princess of faerie.

In the sequel to *A Lick of Frost*, Meredith Gentry, whose rightful place on the throne of Faerie is dependent on being able to produce an heir, is overjoyed when she finds herself pregnant after many failed attempts, but her triumph is overshadowed when she discovers that she carries two babies with different fathers and the loss of her beloved Frost. 250,000 first printing.

Merry Gentry is not your average private investigator. Half human, half faerie, she's caught in a struggle that threatens not only her life, but the lives of those she desires and holds dear. Her very existence and her rightful place on the throne of Faerie have long depended on her producing an heir - and now, after many failed attempts, she is pregnant... A triumphant moment, but revelation follows revelation: for Merry carries twins, and they have more than one father... There are those of her own flesh and blood who want Merry and her unborn children dead, but she is a fighter and wields a wild magic. And this is her world. This is where the magical and the mortal intertwine, where folklore, fantasy and erotically charged adventure collide...

I am Meredith Gentry, princess and heir apparent to the throne in the realm of faerie, onetime private investigator in the mortal world. To be crowned queen, I must first continue the royal bloodline and give birth to an heir of my own. If I fail, my aunt,

File Type PDF Swallowing Darkness Merry Gentry 7 Laurell K Ton

Queen Andais, will be free to do what she most desires: install her twisted son, Cel, as monarch . . . and kill me. My royal guards surround me, and my best loved—my Darkness and my Killing Frost—are always beside me, sworn to protect and make love to me. But still the threat grows greater. For despite all my carnal efforts, I remain childless, while the machinations of my sinister, sadistic Queen and her confederates remain tireless. So my bodyguards and I have slipped back into Los Angeles, hoping to outrun the gathering shadows of court intrigue. But even exile isn't enough to escape the grasp of those with dark designs. Now King Taranis, powerful and vainglorious ruler of faerie's Seelie Court, has leveled accusations against my noble guards of a heinous crime—and has gone so far as to ask the mortal authorities to prosecute. If he succeeds, my men face extradition to faerie and the hideous penalties that await them there. But I know that Taranis's charges are baseless, and I sense that his true target is me. He tried to kill me when I was a child. Now I fear his intentions are far more terrifying.

NEW YORK TIMES BESTSELLER Meet Merry Gentry, paranormal P.I., and enter a thrilling, sensual world as dangerous as it is beautiful, full of earthly pleasures and dazzling magic, and ruled by the all-consuming passions of immortal beings once worshipped as gods . . . or demons. Merry Gentry, princess of the high court of Faerie, is posing as a human in Los Angeles, working as a private investigator specializing in supernatural crime. But now the queen's assassin has been dispatched to fetch her—whether she likes it or not. Suddenly Merry finds herself a pawn in her

File Type PDF Swallowing Darkness Merry Gentry 7 Laurell K Ton

dreaded aunt's plans. The job that awaits her: enjoy the constant company of the most beautiful immortal men in the world. The reward: the crown—and the opportunity to continue to live. The penalty for failure: death. **BONUS:** This edition includes an excerpt from Laurell K. Hamilton's *A Shiver of Light*. Praise for Laurell K. Hamilton and *A Kiss of Shadows* "One of the most inventive and exciting writers in the paranormal field."—Charlaine Harris "Sexy . . . Merry's adventures are engaging and keep the reader turning the pages."—St. Louis Post-Dispatch "Stunning . . . steamy . . . an exciting and original world."—San Jose Mercury News "I've never read a writer with a more fertile imagination."—Diana Gabaldon

An erotic vampire romance set in historical times.
Synopsis: The village of Greenwich is rundown by an unknown blood disease, the only hope for survival is to stay isolated from everyone. Beautiful and spirited Serena Polland is unable to hide away from the rest of the world. Defying her mother, Serena takes a job at the makeshift hospital, working as a nurse. At this hospital, each night, she spends working side by side with the mysterious doctor, Alexander Debergman. For Alexander, life was nothing more than a mere two hundred years of solitude and darkness. His work was the only thing that could sustain him, until he met Serena. She was the sunlight he hadn't seen in centuries, she was a vision of warmth and beauty, love and desire. The unexpected happens when Serena not only loses her beloved mother to the sickness, but falls ill from it herself. When Alexander finds Serena fighting for her life and slowly losing the battle, he does the only thing he can do to save her

File Type PDF Swallowing Darkness Merry Gentry 7 Laurell K Ton

life-make her what he is, a vampire.

"Merry Gentry, ex-private detective, now full-time princess, knew she was descended from fertility goddesses, but when she learned she was about to have triplets, she began to understand what that might mean. Infertility has plagued the high ranks of faerie for centuries. Now nobles of both courts of faerie are coming to court Merry and her men, at their home in exile in the Western Lands of Los Angeles, because they will do anything to have babies of their own. Taranis, King of Light and Illusion, is a more dangerous problem. He tried to seduce Merry and, failing that, raped her. He's using the human courts to sue for visitation rights, claiming that one of the babies is his. And though Merry knows she was already pregnant when he took her, she can't prove it. To save herself and her babies from Taranis she will use the most dangerous powers in all of faerie: a god of death, a warrior known as the Darkness, the Killing Frost, and a king of nightmares. They are her lovers, and her dearest loves, and they will face down the might of the high courts of faerie--while trying to keep the war from spreading to innocent humans in Los Angeles, who are in danger of becoming collateral damage" -- \$&c from publisher's web site.

"I am Princess Meredith, heir to a throne—if I can stay alive long enough to claim it." After eluding relentless assassination attempts by Prince Cel, her cousin and rival for the Faerie crown, Meredith Gentry, Los Angeles private eye, has a whole new set of problems. To become queen, she must bear a child before Cel can father one of his own. But havoc lies on the

File Type PDF Swallowing Darkness Merry Gentry 7 Laurell K Ton

horizon: people are dying in mysterious, frightening ways, and suddenly the very existence of the place known as Faerie is at grave risk. So now, while she enjoys the greatest pleasures of her life attempting to conceive a baby with the warriors of her royal guard, she must fend off an ancient evil that could destroy the very fabric of reality. And that's just her day job. .

I am Meredith Gentry, P.I. and Princess Merry, heir to the throne of Fairie. Now there are those among me who whisper I am more. They fear me even as they protect me. And who can blame them? I've awakened the dazzling magic that's slumbered in them for thousands of years. But the thing is, I can't figure out why. My aunt, the Queen of Air and Darkness, is no longer distracted by her usual sadistic hobbies. Her obsession has turned unwaveringly to me. The mission to get me pregnant and beat my cousin Prince Cel to the crown is taking longer than expected. Even though I spend each night with the Queen's Ravens, my immortal guards, no child has come of our decadent pleasures. But something else is happening. My magic courses through me uncontrollably. And as I lock my half-mortal body with their full-Sidhe blooded ones, the power surges like never before. It all began with the chalice. I dreamed of it, and it appeared, cool and hard, beside me when I awoke. My guards know the ancient relic well—its disappearance ages ago stripped them of their vital powers. But it is here with us now. My touch resonates with its force, and they're consumed with it, their Sidhe essences lit up by it. But even as they cherish me for this unexpected gift, there are those

File Type PDF Swallowing Darkness Merry Gentry 7 Laurell K Ton

who loathe me for it. Me, a mongrel, only half fey and part mortal. The Unseelie court has suffered for so long, and there are some who would not have it weakened further by an impure queen. My enemies grow in number every day. But they do not know what I am capable of. Nor, for that matter, do I. . . . In *Seduced by Moonlight*, Laurell K. Hamilton brings the dark, erotic reign of the immortal fey to a startling new depth. Full of sensuality and the consuming anticipation of latent powers unleashed, this world of gods, shapeshifters, and immortal souls is unveiled in all of its supreme magnificence and its treacherous deceptions.

Refusing the throne of faerie in order to protect her unborn twins, Merry withdraws with her bodyguards to Los Angeles before encountering unexpected dangers from the factions of the faerie courts and her own worshipers. By the best-selling author of *Swallowing Darkness*. Reprint.
