The 3600/4000 container, Item Number 015508, is not compatible with your machine if it has a six sided drive shaft. The six sided drive shaft will not engage the twelve teeth in the nut on the bottom of the blade assembly. Use the 3600/4000 container only on a motor base that has been converted to the twelve spline drive shaft.

If you want a great blender, go for a Vitamix. Vitamix 3600 vs 5200. These two models have been released by Vitamix a long time ago but they are still in high demand today because of their proven performance. For instance, the 3600 is a model that was originally launched by the company way back in 1969. It is effectively older than most shoppers today yet its reputation is such that many seek ...
